If you don’t see us at the bar, ask the wait staff seating people where Sigma Nu is and they will direct you. This is a great venue with plenty of space, but traffic can be dicey in this area. No minimum order, but it would be good to have a good turnout plus people spending money, so they want us back again and again!

Watch Facebook for up-to-date information!

**We will see you on Thursday, December 14th!**
