Gamma Phi Beta International Sorority Legacy Policy

Gamma Phi Beta recognizes that legacies are important to our Sorority because they bring a long tradition of pride and support to our Greek-letter chapters. Because it may be impossible for Greek-letter chapters to pledge and initiate every legacy referred to them, they are guided by Gamma Phi Beta’s legacy policy, which states, “Legacies are to be given special consideration by the chapters.” This means they are invited to at least the first round of events. If a legacy is invited to pledge, her name is placed alphabetically on the first bid list. In those unfortunate situations where a legacy is not invited back to the next set of events, notification of friends and relations is left to the legacy. This is to protect her privacy. The best way to avoid potential disappointment is to discuss the total Greek community with legacies. All National Panhellenic Conference sororities have similar goals and ideals. Emphasizing Gamma Phi Beta as a sole choice for your legacy may be unfair to her if we are unable to extend her a bid. Most importantly, we hope that recruitment is a positive experience.
