Joanne Beach is a District Missions Consultant with the Christian & Missionary Alliance. She has ministered along side her husband, Lee, in pastoral ministry since 1989 and began a formal role with the C&MA in 2000 serving a 6-year term as the National Women's Ministry President before transitioning to the current mission position. Other current ministry involvements are: speaking at Conferences / Retreats; preaching; training Growing Healthy Women in Ministry seminars; and serving on the Board of Directors of World Relief Canada, 2001 - present.

Aileen Coleman known as the 'Angel of the Desert' is the Executive Director of Annoor Hospital in Jordan where she has worked for fifty years as a nurse practitioner and evangelist in mission hospitals. Aileen is witness to Bedouin nomads stitching stomachs with string to ease belly aches and burning flesh with red-hot spikes to drive out disease. She has learned a lot about giving and receiving in living with these amazing desert-dwellers. Annoor Hospital now serves 150,000 Bedouins and another 20,000 living in Mafrqa.

Cathie Ostapchuk along with Hilary Price, co-Chaired Just Give Me Jesus, a life-changing 2-day revival event held in September with Anne Graham Lotz of AnGeL Ministries. Previous to that 2-year journey, Cathie has been involved in the worship and women's ministries at her church in Oakville. She has planned large-scale outreach productions at the Living Arts Centre involving choir, orchestra, dance, media and drama.

Hilary Price, born in North Lancashire, England, spent a few years as a small child in Uganda. She is the author of a book entitled, "The Life That Changed My Day" and contributes to 'Just Between Us', a US publication for women in ministry. Hilary co-chaired the Just Give Me Jesus conference in Toronto. Hilary continues to share her love for Christ, teaching the Word of God to over 300 women at The Peoples Church through a Thursday evening Bible Study called "The Haven".

Dr. Pat Francis is the Founding Pastor of Kingdom Covenant Ministries, as well as the President, CEO and Founder of several non-profit organizations through which various innovative programs provide solutions for children and youth at risk. Dr. Francis has been awarded recognition in "The International Who's Who" because of her passionate commitment. She is also a graduate of the University of the West Indies in the medical field of Radiography and holds a Doctor of Ministry degree.
