Dave Toycen: As president and chief executive officer of World Vision Canada, Dave Toycen heads Canada's largest humanitarian relief, development and advocacy agency. In his 15 years as president, he has guided the organization into dramatic growth in its efforts to serve the world's poor. In addition, he has led World Vision Canada into significant justice and advocacy work, in areas such as child and maternal health, the rights of girls, and the protection of children in armed conflict. He has spoken before the World Bank and has met with heads of state, key global executives, development leaders and church leaders to discuss the well-being of the world's children.

Peter is a native of Chicago and is a citizen of both the USA and Canada. He and Linda have been married since 1994 and are the parents of a daughter and two boys, ages 16, 14 and 11.

WORSHIP BY:

Life-Spring Worship

is the worship team from Toronto Life-Spring Christian Fellowship, a local church in the GTA. Having been together for over 10 years, our passion is to serve the city by ushering in and dwelling in the presence of God, allowing Him to move freely through our worship. We believe that through worship, we are able to touch the heart of Jesus and access the tangible love of our Father the King. We want to see Jesus exalted in our city and in the nations!
