Zeta Lambda Chapter Alumni pose together at the Oct. 2008 Alumni BBQ

Zeta Lambda Alumni BBQ

The weather cooperated and we were treated to sunny days and fair temperatures for both the Tulsa Oktoberfest and the Zeta Lambda Alumni BBQ.

As is tradition, several brothers volunteered and served drinks in the Budweiser tent at Oktoberfest on Friday. The party continued on into the evening when a good group of people came out to enjoy the weather, food, and to chicken-dance the night away at our usual spot.

On Saturday we had the Zeta Lambda Chapter Alumni BBQ at the home of brother Andy Eltiste (ZΛ 517) in South Tulsa. The brotherhood is very appreciative to Andy and his family for hosting this gathering in their home.

Brothers who had not seen each other in years were brought together to catch up and reminisce about good times back at the house, tell party stories (ALAMO!!!), and re-live domination on the intramural fields (was the 1993 Snake Basketball A-Team the greatest

ever assembled?).

Brother John Williams (ZΛ 433) gave a status update on the re-activation process, and where Zeta Lambda stands. The alumni brothers present then signed the petition to form an official Tulsa Alumni Chapter which has been filed with Sigma Nu National Offices.

As more information comes in, it will be communicated to the alumni through the website and facebook pages.

University of Tulsa IFC In Expansion Mode

The Interfraternity Council at the University of Tulsa decided to start the process to expand the number of fraternities on campus at TU. Earlier this year, IFC requested the names of national fraternities that were interested in starting a chapter at TU in the near future. That list has since been whittled down to six fraternities which were asked to give presentations in February to the IFC Expansion Committee (which is composed of the president of each fraternity on campus as well as the Dean of Students). The field of six will be narrowed to a group of three finalists and presented to the University administration for final approval.

The final field of six consisted of: Sigma Nu (presentation given by Chris Healy—Dir. Of Expansion), Alpha Tau Omega, Phi Gamma Delta (Fiji), Sigma Tau Gamma, Delta Sigma Phi, and Chi Phi.

Although, IFC began the expansion process this spring, the process was cancelled. Sigma Nu and Fiji were the only organizations to present. Discussions between Zeta Lambda Alumni, the University and Sigma Nu National continue. We will keep you updated as things progress.
