men on a mission

saturday april 5, 2014 • 1-3 pm

MissionFest Toronto's
Men On A Mission
is a dynamic program
for men.

This session will focus on
deepening the
spiritual life of men while
encouraging them to
rise up to their call
as effective leaders and
missionaries where God
has positioned them.

KEYNOTE SPEAKER

Neil Boron It's not surprising that Neil Boron's passion is talking with people about the truth of God's Word. The first word he ever said was "Bible!" At five years old, he went door to door with a toy tape deck interviewing the neighbours about God. On the surface, Neil looked like any other kid, but down deep, he was hurting. Sexual and emotional abuse caused him to believe a lie. Neil gave his life to Christ at 13. He knew

what the Bible said about unconditional love, but secretly struggled for years to believe that God could actually love someone like him. Almost 40 years later, on the darkest and most painful day of his life, God used truth to wash away the lies and set Neil free from the bondage of sin and the pain of his past. God's unconditional love finally made its way from Neil's head to his heart.

Neil has a heart to minister to "fellow strugglers." He is the host of LifeLine, a three hour live talk radio show that airs across upstate New York, Western New England, Northwestern Pennsylvania and Southern Ontario – including Toronto – on 99.5 WDCX-FM Buffalo. Neil has been involved in Christian radio for more than 30 years. He also spent 8 years in pastoral ministry but believes Christian talk radio is "the thing God uniquely designed him to do."

WORSHIP BY: Sanctus School for Worshippers

We are five students from Sanctus School for Worshippers in Streetsville, striving to achieve our full potential as musicians, and followers of Christ. As we progress through Sanctus and life we have become much closer to each other as brothers in Christ. Sanctus School for Worshippers is a two-year post-secondary Christian college that prepares students in areas of Christian character and spiritual grounding as a preparatory step to specific vocational training.
