

ON Purpose

MISSIONFEST TORONTO ON Purpose Pastors & Leaders Program

Date: Saturday April 5, 2014
Registration/Check-in: 8:30 am
Session: 9:00 am - 11:30 am (incl. reports from MissionGTA & EFC)

Location: Main Sanctuary, Global Kingdom Ministries, 1250 Markham Rd. @ Hwy. 401 (Toronto)

Are you in a leadership role or feel called to be in leadership? We all have to lead others to Christ wherever God has positioned us.

In pastoral leadership or on a church committee; in government, missions, education, business, media? Let's live ON Purpose and rebuild together.

This program will provide the benefit of networking together as well as practical tools, experiences and encouragement for attendees.

Corporate Partner

Dr Steve McEvoy

In the early 1990s, while serving in pastoral ministry, Steve McEvoy and his wife April found themselves in a place of desperation. Steve wrote a letter to God and cried out to Him seeing no end to their struggle.

God answered the cry, rescued them and put them in a new place. By His Word, God restored their broken foundations as they began a journey of transformation.

The answer received by the Holy Spirit became Steve and April's new purpose for living – to take the rescue that God worked in them and simply give it away. It is the calling upon Steve and April to help others connect with God in such a way that He is able to restore their broken foundations as well.

Steve uses his gifts both in the church body and the marketplace. Through *Steve McEvoy Ministries* he teaches the Word and helps individuals discover some of the same life changing truths that transformed his life. As

a consultant through *byDesign Group Leadership Consulting*, Steve serves marketplace leaders in helping them lead their organization into greater excellence. With a completed doctorate in Leadership and Organizational Development, Steve works with leaders in the business, government, and non-profit sector with a focus on their personal development. Steve specializes in helping leaders capture and clarify the vision and mission that they are currently leading and position themselves to effectively lead the entire organization in the direction of that vision.

Alongside Steve's ministry to the local church, he has been a catalyst to gather marketplace leaders and help them embrace their kingdom calling in their current sphere of influence. Steve has engaged and consulted upper level government and medical officials as well as business leaders and helped them embrace and recognize the kingdom calling upon their life in the current areas where they serve.

Steve was born and raised in Ontario, Canada and currently resides in Nova Scotia.

Registration fee is \$25 per person (includes lunch & parking).
