Alumni, Collegiate, Parents, and Friends...

Here is our most recent newsletter and additional updates – starting with: Alumnus David Whitlaw (ΘΚ 372) shared the upcoming “Coaches’ Caravan” event and challenges everyone in the area to attend. It is the 2014 GSU “Coaches’ Caravan - Atlanta Gwinnett” on Friday, May 16th at 7:00 pm at the Eagle Rock Beer Distributing Company (6205 Best Friend Rd, Norcross, GA 30071 – 770.498.5500 ) near I-85 Exit 99 Jimmy Carter Blvd/GA 140. Register at www.EagleRocks.com. Meet GSU’s new Coach, find out what is going on at GSU, and see your brothers (spouses welcome). For more information on this go to: www.SigmaNuGSU.com/coaches-caravan. We posted it to Facebook and have included it in this email along with other updates on your chapter including a recap of the “Road to the Rock” pilgrimage, the recent 2014 Commanders’ Dinner, and other updates!

Theta Kappa has had a great 2013-14 school year and I want to tell/show you about some of it in the attached newsletter, but also invite you to review and subscribe to our website and Facebook group – we will be sending some more updates to you over the summer. I want to start by thanking our most generous patrons who underwrote our recent “Road to the Rock” trip – they are listed and recognized on Page 3. Without your support, this trip would not have been possible in the fashion it was done, so we created a very special commemorative t-shirt for each of you, which you will get in the next few weeks. Over $7,000 was raised, which covered the trip and funded several incoming freshman “Rush” scholarships for this summer. Also thank you to brothers Anderson Johnson (ΘΚ 798) and Adam Clay (ΘΚ 810) for putting the trip together, Carlos Robelo (ΘΚ 758) for the great pictures of the trip, and Headquarters Staff Members Alex Taylor (NB 5), Chris Brenton (BT 1307), and the entire staff for helping us organize it as well as leading the tours and facilitating LEAD there. For more on the trip: www.SigmaNuGSU.com/trip-to-lexington or: www.SigmaNuGSU.com/rttr-slideshow.

Congratulations to our eight new brothers (and their parents), who joined the Legion of Honor at Knights during our “Road to the Rock” trip on Sat., April 12, 2014. They are:

1. John B. Harrison (John), ΘΚ 833, Roswell GA
2. Bryan N. Taylor (Bryan), ΘΚ 834, Alpharetta GA
3. Mitchell G. Portwood (Grant), ΘΚ 835, Roswell GA
4. John E. Gee (John), ΘΚ 836, Jefferson GA
5. Taylor A. Harris (Taylor), ΘΚ 837, Alpharetta GA
6. Ryan M. Wendt (Ryan), ΘΚ 838, Kennesaw GA
7. Dylan Holloway (Dylan), ΘΚ 839, Tifton GA
8. Nicholas Masters (Nick), ΘΚ 840, Woodstock GA

If you know a young man who is coming to GSU in the fall (or another college for that matter), we would love to hear from you, so we can speak to them and recruit them. Go to: www.SigmaNuGSU.com/membership-referral to provide us their information.

Lastly, I want to thank the Alumni Advisory Board, the House Corporation, each of you, and the brothers of the chapter for supporting and believing in your chapter this year as we became the “New Theta Chapter” – we would not have gotten here without you – we are your chapter and we need each of you! We promise and vow to all be honorable knights of Sigma Nu, strive to be great young men, and be transparent in our operations! Thank you for your trust and support.

We look forwards to a great fall and seeing each of you at GSU Football Games, the match-up between Georgia Tech and our GSU Eagles on Sat., Sep. 13th in Atlanta (we are planning a Sigma Nu tailgate), at Homecoming Weekend on Oct. 9-12, and in-between. See our upcoming calendar in the “Commander’s Dinner” section on Page 15. For more information on Homecoming, please go to: www.SigmaNuGSU.com/homecoming. First, thank you to all of our great supporters who made the trip possible! You helped make our Theta Kappa Chapter “Road to the Rock” trip the success it was! On Friday, April 11th, 27 brothers and 8 well-deserving candidates left the Sigma Nu house at 3 pm on a chartered bus bound for Lexington. Ten hours later, we arrived at the Carriage House. (Interestingly, it only took us 9 ½ hours to get back.)

Luckily, the bus had a DVD player, so we watched movies much of the way, which helped the 10 hours go by a little faster. The bus ride was a great time of bonding with each other and improving the brotherhood within the chapter. We arrived at the Carriage House (a bunkhouse for collegiates on the grounds) about midnight and found it could sleep all 35 members quite comfortably.

We woke up at 9 am the next morning and started the day off with a tour of Sigma Nu Headquarters Shrine. Alex Taylor, a member of the staff, was our tour guide, and he took us around both the buildings and the grounds of the Headquarters. This was the first time that over 90% of the chapter had visited our Headquarters. Located at the highest point in Lexington, VA, the facility provides an elegant and beautiful snapshot of the historical city. After we toured the grounds and building, Alex led a wonderful LEAD session on the SWOT analysis program and another session on accountability. Upon completion of the LEAD sessions we had a nice hour break for lunch. We found several good restaurants within walking distance of the Carriage House as well as a general store/gas station. As you could imagine, it is very hard to feed 35 college-aged men, but these local restaurants made it easy to accommodate us.

Once fed, several members found footballs, Frisbees, and other outdoor sports equipment. And so we relaxed and threw a football with our best friends. When our break was over, Chris Brenton, another staff member, led us on a walking tour through the beautiful town of Lexington. We visited Washington and Lee University and on to Virginia Military Institute. At VMI, we made several stops that revealed the historic significance of Sigma Nu at VMI. We saw where the original “Rock” was, as well as where our three founders stayed while they attended VMI. We then went to the VMI museum, which has enough military history to be in a national museum. We concluded the tour and made our way back through downtown Lexington, and returned to the Carriage House.

Around 5:30, we started to get ready for the initiation of our eight Spring 2014 candidates. We initiated these men in the Alpha Room at the Headquarters, which is decorated like the first chapter room at VMI. Our initiation ceremony lasted about an hour and was the best ceremony the Theta Kappa Chapter may have ever been a part of. When the ceremony was over, we all headed back to the Carriage house, changed, and went out to enjoy the rest of the night with our new brothers. Then, we had free time until we went to sleep that night. On the Sunday morning, we woke up around 6 am and prepared for our departure from Lexington, VA. We then got on the bus, watched more movies, bonded even more tightly with our brothers and arrived back in Statesboro around 4 pm.

Main Points of the “Road to the Rock” Trip:
- Brotherhood and bonding on the bus trip and at the Carriage House
- First trip for the “New” Theta Kappa Chapter as a whole
- Chapter seeing HQs, VMI, W&L and Downtown Historic Lexington
- Visitation and honoring the Memorial Flag Pavilion and the “Pathway to Honor”
- Two great LEAD sessions led by the Fraternity Staff
- Initiation of Candidates in the Sigma Nu “Alpha Room” (ΘΚ 833 - ΘΚ 840)

If you have not been recently I encourage each of to take your own pilgrimage to our headquarters!

Our Second Annual
Commanders’ Dinner
to honor our 44th & newest Eminent Commander
Sat., April 16, 2014

The Theta Kappa Second Annual
Commanders’ Dinner

**Purpose:** To meet annually upon the election of the newest commander at Theta Kappa to welcome the new commander, convey the wisdom of our experience, our passion for leadership, our willingness to support and mentor him, the need to protect the brand and name of Theta Kappa and Sigma Nu, and the need to make the right yet sometimes very hard and very unpopular decisions for the good of the chapter and fraternity.

**Objective:** To grow a nucleus of members and servant leaders to the chapter and fraternity that will assist in advising and leading the officers of the Chapter, the Theta Kappa collegiate & alumni chapters, the Theta Kappa House Corporation, and the Theta Kappa Alumni Advisory Board for years to come.

**Points of reflections to pass onto our newest Eminent Commander:**

1. Reflect on the challenges and forward movement of the chapter while you lead Theta Kappa to provide insight and perspective on making the right decision and the positive outcome it lead to.
2. Reflect on another collegiate brother who supported and assist you in your role as commander and the positive direction of the chapter.
3. Reflect on another collegiate brother who supported and assist you in your role as commander and the positive direction of the chapter.
4. Reflect on the experience and impact being commander made on your brotherhood experience, your family, and your career.
5. Reflect on your willingness to mentor and shape our newest leader to avoid past mistakes many of us made, develop a positive leadership ethic, and to sustain the future of the collegiate chapter and our alumni.

**Some considerations for future events:**

1. The next commander will be named in late November/early December to serve Dec. 2014 to Dec. 2015. The planned date for our next dinner is:
   - Sat., Jan. 17, 2015 (MLK Weekend)

Information about our Alumni Database & where to find us...

Theta Kappa maintains an alumni database in addition to the Sigma Nu Fraternity HQs database. The reason we do this is probably obvious, but worth restating – Sigma Nu has over 200,000 alumni and we have less than 1000; no one needs our chapter alumni information like we do, so we need to manage and look after it like no other can as we connect with our alumni through a variety of sources. We do share updates periodically with the Sigma Nu Fraternity HQs (usually quarterly), so they are getting your updates and your fraternity record is updated.

We have 3 basic sources (we manage) where you can find information, what is going on, and where people are:

- **Facebook** – we have a group called “Sigma Nu - Georgia Southern - Theta Kappa”; if you are not already a member consider joining this group so you can keep up with our alumni chapter, brothers, and friends. You can then add members as personal friends and get the normal Facebook updates on them. The site is: [http://www.facebook.com/groups/sigmanugsu/](http://www.facebook.com/groups/sigmanugsu/).

- **Chapter Website** – this is located at [www.sigmanugsu.com](http://www.sigmanugsu.com) (place on your safe list); it is a repository for chapter/alumni information and events. It is basically a tool that puts us on the web that helps us manage chapter and alumni operations beyond Facebook. You can sign up for notifications, search for other alumni, and it has a personal “dashboard” (once you sign in) that gives a snapshot of what is going on.

- **Alumni Database** – this is managed behind the scenes and we use for keeping up with our members, alumni, and friends. We try to incorporate updates we see on Facebook and the website, but the best way to update us is through the enclosed “alumni information update”. We exchange this information and the address information we gather with the Sigma Nu Fraternity HQs staff, so they can update you as well.

If you have question or updates please contact us at [alumni@sigmanugsu.com](mailto:alumni@sigmanugsu.com).

**LEAD – Looking for facilitators – consider volunteering!**

Our Chapter implemented Sigma Nu’s groundbreaking LEAD (Leadership, Ethics, Achievement, & Development) Program and is excited about the prospects it brings. In order to increase the value to the membership and chapter, they are looking for alumni and faculty facilitators to assist. Several alumni have already volunteered to assist in the development of our young men. In 2011-12 we started utilizing GSU’s City Campus/E-Zone for LEAD which is one of the benefits of being a founding and continuing sponsor of the E-Zone.

**LEAD – Phase 1**

- 1. Fraternity
- 2. History
- 3. Leadership & Working in Groups
- 4. Sigma Nu Organization & Operations
- 5. Risk Reduction
- 6. Values
- 7. Ethics
- 8. Leadership: The Basics
- 9. Project Management
- 10. Ritual: The End...The Beginning
- 11. Community Service (Optional)
- 12. Time Management (Optional)

The LEAD program has prepared facilitator manuals, handouts, audio/visual materials, a web interface, on-line exams/quizzes, and handbooks. For volunteer facilitators there is a website and on-line materials to help you prepare. LEAD Phase 1 is designed for the candidate period; LEAD Phases 2-4 are for follow-on years in school – all designed to prepare members to be better brothers, leaders, citizens, and for the world of work.

For more information on LEAD please visit the chapter website ([www.sigmanugsu.com](http://www.sigmanugsu.com)), Sigma Nu’s LEAD site at [http://www.sigmanu.org/programs/lead/index.php](http://www.sigmanu.org/programs/lead/index.php) or [www.sigmanu.org](http://www.sigmanu.org). If you are interested in learning more or possibly facilitating, please fax this to 404-478-8887, email a note to alumni@sigmanugsu.com, or contact our LEAD Advisor on the AAB, alumnus Larry Sands, Thk 325, at 912-210-7646 or lsands@valleycrest.com.

“Back to the New Basics”

The chapter improves operations and leadership

Parents’ Call

Starting with Fall Semester, the chapter began to meet with parents of the candidate class in an introductory conference call right after rush. The purpose is to introduce leaders and advisors, open lines of communications, set expectations, and make commitments.

This practice has been well received and will continue into the future. See the attached “packet” that is sent to parents.

New Candidate Program

The chapter re-energized the Theta Kappa candidate program by creating a “positive points model and scoring system” to measure the progress of the candidates. It has also institutionalized LEAD Phase 1 with alumni facilitators. Most recently the chapter manual they developed for this program was added to the Sigma Nu “Best Practices” library.

Greek Awards/Recognition

The chapter was recognized for achievement in a number of areas this year. In the Parents’ Packet there is a listing of those awards which we proudly received. We strive to attain the ΣN goal of “Excelling through Honor.”

LEAD Phase 2-4 & Risk

The chapter placed the LEAD Officer and the Sentinel (Risk) on the “Chapter Council” to demonstrate the importance of these roles to the chapter and the future of our fraternity. It followed it up with on-going education around risk management and liability plus the full implementation of the LEAD program.

FROM: Theta Kappa Alumni Advisory Board

TO: Parents of Theta Kappa (Sigma Nu) Collegiate Members & Candidates

SUBJECT: Welcome to Sigma Nu Fraternity, Theta Kappa Chapter, at Georgia Southern University

Parents of our new Sigma Nu Candidates at GSU...

We are excited about your son’s participation in the Fraternity and we look forward to it serving as an important resource in his leadership, academic, and professional development for years to come. Thank you for your willingness to allow your son to join Sigma Nu – something we all see as a further investment in his future. Our commitment to you is to try every day to live up to the commitment you made and the commitment we made as Sigma Nu brothers, alumni, and advisors to these young men.

We, the advisors, and the chapter officers commit to you to the five objects of Sigma Nu Fraternity:

1. HONOR. To govern each act by a high sense of honor
2. FRIENDSHIP. To bind together all members by ties of true and lasting friendship (brotherhood)
3. ASSISTANCE. To protect, assist, advance, and encourage each other by every honorable means
4. UNITY. To have plans for guidance and unity in action
5. COMMUNICATION. To gather, to propose, discuss and agree upon these plans at meetings

Further we commit to:

6. NO HAZING – period! Sigma Nu was founded against hazing in 1869 – that tradition continues.
7. LEADERSHIP DEVELOPMENT – provide opportunities for the young men of our chapter to learn, develop, and practice their leadership skills that will serve them the rest of their lives.
8. EDUCATIONAL ASSET – we pledge that Sigma Nu will be an academic and educational asset to your son in college and after – not the reverse. It will not be easy, but it will be rewarding.

The members of the chapter and the advisors look forward to meeting you in person in the near future and for your family to become part of the Sigma Nu family. If at any time (24/7) you have a question, an issue, or comment in regards to the fraternity or your son’s involvement, please feel free to call us or email us – we will be there!

LEAD PROGRAM: INTRODUCTION
DEFINITIONS

DEFINITIONS

The Mission of Sigma Nu Fraternity, Inc.
To develop ethical leaders inspired by the principles of Love, Honor and Truth.
To foster the personal growth of each man’s mind, body and character.
To perpetuate lifelong friendships and commitment to the Fraternity.

The Vision of Sigma Nu Fraternity, Inc.
Excelling with Honor

Leadership, Ethics, Achievement and Development all have a special meaning in this program.

Leadership means having a vision, a sense of direction. It also means being able to focus that direction on special ways to get you there. It includes helping others to have influence, power and initiative to support making the “trip” successful.

Ethics for us means putting Love, Honor and Truth into practice in every aspect of our life.

Achievement includes setting high standards of excellence for one’s own performance, being strongly motivated through personal goals and wanting feedback to correct the course of our endeavors.

Development has the special meaning of commitment to continuing improvement for self, others, chapter and the General Fraternity. We may not be perfect, but we should strive to reach our fullest potential.

LEAD is Sigma Nu’s award-winning ethical leadership development program. In alignment with Sigma Nu’s continuing efforts "To develop ethical leaders..." we offer the LEAD Program as a tool to assist our membership in both gaining the knowledge and developing the skills and abilities needed to be an effective and ethical leader for life.

The LEAD Program is a comprehensive ethical/leadership development program designed to ensure participants learn by doing. "We encourage all our collegiate chapters to utilize our LEAD Program to the fullest extent possible."

This section is a compilation of all the information and resources needed to fully implement our LEAD Program. Whether you are a collegiate member with a specific question about a specific session, an alumnus interested in going through the online sessions, a guest facilitator looking for session materials or parent just looking to become more involved with the Fraternity, this is a great place to start.

Similar to Sigma Nu’s Digital Delta, the online component of the LEAD Program is an interactive, self-paced experience designed to meet the unique needs and learning styles of our collegiate members.

For the past several months we have been working to update and redesign the presentation of Phases I-IV of the LEAD Program. This redesign was undertaken to improve the quality and impact of the membership development experiences and opportunities provided to our membership.

The redesigned presentation of the LEAD Program breaks sessions into two (2) equally important and distinctive components.

1. Online portion: Accessed via the Members Area and completed by students on an individual basis.
   - Participants login and complete the online portion of each session prior to attending the facilitation. During the online portion, participants engage the session content in an interactive format that includes videos, audio voiceovers, activities, handouts, journaling exercises and quizzes.
   - Participants print all relevant handouts from the online portion to bring to the facilitated portion.
   - Completing this portion of the session provides a knowledge base that the participants relate to and build upon in the facilitated portion.

2. Facilitated portion: Completed in a workshop/discussion setting which is attended by all phase participants.
   - Participants attend the facilitated portion of the session. This should be scheduled and announced in advance to allow time for participants to engage the online portion of the session.
   - Completion of the online portion builds a base of knowledge from which participants can relate to the interactive, hands-on, and application approach of the facilitated portion.

5 QUESTIONS
Vice Regent John Hearn (Georgia)

1. What is ethical leadership?
The ethical leadership is motivating a group of individuals to achieve a noble goal through honorable means.

2. What are the characteristics shared by excellent chapter officers?
The officers with whom I've worked who have had the most success are those who lead by example with vision and courage. They set a noble vision – one that's honorable and begins with the end in mind. They communicate it relentlessly and, in the process, develop followership with others to help accomplish the goals. These inspiring leaders establish a “soft-accountability” culture and they cordially follow through on the commitments of others, seeking respect rather than popularity. Through these things — leading with vision and courage — they will achieve mutually developed and agreed-upon outcomes.

3. How can fraternities stay relevant over the next ten years and beyond?
If you were to poll every fraternity in the U.S. about why someone should join their organization, the vast majority of those individuals would use the term “brotherhood” in their answer. Brotherhood is absolutely something we want to embrace and foster, however, our message must be broader. People “buy” differences, and we must show how we are uniquely relevant in the 21st Century. We must articulate Sigma Nu’s value proposition as providing an unparalleled return on investment. We must provide examples of the life skill and leadership development opportunities offered by Sigma Nu. We must focus on our rich heritage and, more importantly, why our future is brightest. And, yes, we must share personal stories of our brotherhood, one that is uniquely, a brotherhood for life.

4. What advice would you offer a collegiate member trying to eliminate hazing in his chapter?
Hazing is incongruent with the founding of Sigma Nu Fraternity. The first decision a newly elected young leader must make is whether or not they are going to tolerate what is dishonorable. That decision-of-the-mind should then be bolstered by a buy-in from the executive committee. Once the leadership has adopted that principal, everyone will need to lead with courage to stop the behavior. Finally, don’t be afraid to leverage the resources from alumni — one who has been in your shoes and is willing to be the heavy hand. Stopping less than honorable activities all starts with one brave person — one willing to say, “We’re not going to do this.”

5. Any additional advice for chapter officers?
A chapter has 100% turnover every four years, thus no chapter is ever more than four years away from success or four years away from failure. Chapters must remain focused on that dynamic to ensure sustainability. Leverage in this area often comes from recognizing you can’t do everything by yourself. Empowering future leaders with responsibilities helps ensure no vacuum is left following your transition out of office. A best practice learned in our work on Task Force Hopkins involved developing a robust committee system. Placing younger members on these committees allows them to witness first-hand how to do things well. As they learn, they’ll be ready to carry on the success of the chapter, and the positive cycle will repeat itself. While not always recognized as such, operational sustainability is among a chapter officer’s most important legacies. Another piece of advice for incoming officers is to run your meetings in the following fashion:

1) Establish an agenda for every meeting.
2) Establish a timeline for the meeting.
3) End each meeting with a summary of the action items discussed; who is responsible for each action item, and the date each item will be accomplished.

The subsequent meeting should include a status review of the previously made commitments from the team. Leaders who follow this simple process will better accomplish goals, empower others, and achieve a great deal during their term.
