It seems like only yesterday that Derry & Mary Wright had their
1st Bull Sale of only 23 bulls at the Gallatin, Missouri Sale Barn on
March 8, 2008. What a ride it has been! Each year this program
has improved the quality genetics offered and built the numbers
from that humble beginning.

Success in the purebred cattle business only comes from
"customer satisfaction". There are many, many purebred cattle
breeders to buy bulls from and many different breeds of cattle to
choose from. The only way to get and keep customers coming
back to buy your bulls is "customer satisfaction". The only way a
breeder can sell more bulls every year is "customer satisfaction".
The only way you get breeders to come select one bull or ten bulls,
from across the United States in "customer satisfaction". If you
are a potential "new" buyer of these genetics, as you sit through
the sale you will quickly see and hear the phrase from the auction
block, "another repeat buyer" as the evening goes on, that is
CUSTOMER SATISFACTION!!!!

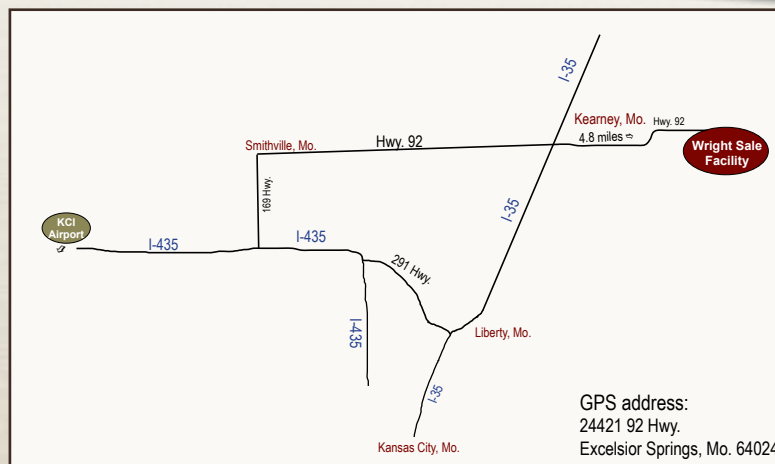

Derry, Chris and Cody know this and strive with each mating
decision, with each decision to cull out inferior calves, with each
time a calf is weighed for performance, with each time they check
the pastures and see an issue that they hadn't seen before and needs
eliminated it is removed from the herd, it goes on and on for years
and years!

All of these bulls offered come with a "First-Year Breeding
Guarantee". They have all been Performance Tested, Semen Tested,
Trich Tested, Health Tested and can be DELIVERED FREE across
the United States! They want your business, they want to keep
your business, and they want to develop long term relationships
that last a lifetime! They want YOU to make a profit from the
service of their bulls!

On behalf of the Wright's, the Peuster's, the Runft's and the
entire staff at the office, the farm, the show barn and their families;
we invite you to the ranch prior to the sale, to view the videos
online, and walk through the bull's sale day. Enjoy a great "beef"
meal prior to the sale starting and stay around afterwards for some
refreshments.

If there is anything that we can do for you, to make your trip,
search or your comfort coming to this sale, please let us know. We
look forward to meeting you sale day!

Greg Hubert, Sale Manager

Full Brothers to Rushmore

Lot 2

If you have been paying attention to the sale reports from across the Charolais breed, you are well aware that the genetic influence of Rushmore is the hottest proven bloodline of the breed! These five full brothers to Rushmore offer many breeders the opportunity to add that powerful influence into their herds. Only one full brother has ever been sold before and he sold in the Wright sale last year when one-half interest brought \$12,500 to the Jerry Sturgess family Larue, Texas. Now consider a fact that many breeders forget; the dam of LT Ledger 0332 is also a full sib to Rushmore! Rushmore is a current AICA Sire Summary Triple Trait Leader for CE, BW and Multiple Traits! With the passing of LT Brenda's Ease 3055 Pld, these are the last progeny and with Rushmore at 9 years of age, we are retaining interests in these herd sire prospects for our own use here at Wright Charolais.

LT Brenda's Ease 3055 - Dam of Lots 1-5

LT Brenda 6120 Pld-Full sister to Rushmore & is the dam of LT Ledger 0332

Lot 6

As with any set of cattle, people, teams, etc. ONE usually comes to the top! WC Executive 6211 has come to the top. He has become the most admired bull in this offering. Every visitor to the ranch in the summer found him at every turn of the steering wheel in the pasture. After weaning, he quickly became the bull that you noticed whenever looking at the large group. When he came to Denver for the Pen Show, he was the bull everyone stopped to see. Sale day will be no different!

It is the pleasure of Wright Charolais to present to you the opportunity of a lifetime with this offering! WC Executive 6211 P is a maternal brother to WC Milestone 5223 P that sold for \$125,000 one-half interest and one-half possession, in last years Wright Charolais Bull Sale. Milestone was sired by WC Benelli, Executive is sired by the great Rushmore, Executive has a lower birth weight, almost the same weaning weight and both had identical weaning weight ratios of 114. This bull has true heifer bull potential with his 78 lbs. birthweight, his 10.8 Calving Ease EPD and his -2.4 BW EPD. Not much guess work here. Dont you need a top EXECUTIVE to run your company?

Member of the 2017 Denver Grand Champion Pen-of-Three!

This member of the Denver Grand Champion Pen-of-Three has a nice low birth weight of 74 lbs. and then blowing on to an almost 800 lbs. weaning makes this a wise investment. He is a tremendous bull with great EPDs and numbers across the board. His dam also produced a \$10,500 Ledger daughter that sold in our 2014 Female Sale. A member of the Denver Reserve Grand Champion Pen-of-Three Bulls! Just step back and study this pedigree tabulation. If you want a herd sire that will never run out of genetic strength for calving ease, EPDs, maternal power, name recognition, stop right now and take this stud home. His promising young donor dam WC CCC Sweetheart 1140 P is now owned with Grand Hills Cattle, LLC, Pierce, Colorado. She is a full sister to WC CCC Full Metal Jacket of which you'll read more about and see his sons at Lot 77 through 84. Of course her dam is the great donor Baldrige Sweetheart 7M. Her second calf sold for \$18,000 in the Kansas City National Sale to J&J Trust in South Dakota. You have not heard the end of this great, smooth made, calving ease prospect or his dam

These two ETs will have lots of friends sale day. Their sire is the renowned CCC WC Resource 417 that went through their 2015 Bull Sale at \$44,000 for one-half interest and one-half possession! The excitement has only increased since that day and will again pulse forward when you observe this set of sons. Why shouldn't they be great when you see that their dam is the tremendous donor JWK Clarice J139, without doubt one of the breeds great ones!

Sometimes in a poker game when you keep getting the good cards, you want to Up The Ante and this is the hand to do that with. His sire WC Up The Limit has certainly been making it happen around Wright Charolais. His last two weaning age daughters that sold set the bar high with prices of \$20,000 and \$37,000! This bull has the WOW Factor in every department; low birth, high performance, the look, the power, he can be that herd changer type. His dam, another Clarice J139 daughter produced her first calf to a \$10,000 price at auction selling to Clift Charolais in Washington. Dont overlook this one.

His sire continues on his path towards greatness. Benelli topped the 2013 Bull Sale when one-half interest and one-half possession sold for \$50,000, after he was the lead bull in their Denver Grand Champion Pen-of-Three. Last year Benelli sired the top selling WC Milestone at \$125,000, a bull that was the lead bull in their 2016 Denver Grand Pen-of-Three Bulls. Now turn your attention to the dam of this Benelli son, she had a son in last years Bull Sale that sold for \$20,000 to Schmidt Cattle Co. in Nebraska and now this son, so she is heading into the embryo production plan. A pedigree loaded up with maternal strength.

Selling 2/3 interest and full possession.

CCC Major Impact 613 is Codys favorite bull that was also his lead-off bull during the Denver Pen Show and was selected the Reserve Grand Champion Pen-of-Three. This bull is right for the times, a clean-fronted, flat shouldered, bold-ribbed bull that squares up with true power behind his blades and follows it into a stout square hip. Whether you are trying to add quality to some plainer made cows or are looking for a heifer bull, give Major Impact a look. His sire sold for \$31,000 for one-half interest and one-half possession in the 2015 bull sale to Broberg Charolais in Nebraska. His full sister topped the 2014 female Sale when one-interest in her brings \$25,000. Cody will retain a one-half semen interest in Major Impact and one-half possession from March 25th and June 7th each year.

Member of the 2017 Denver Reserve Grand Champion Pen-of-Three

Selling 1/2 interest and (summer & fall possession, starting at first week of June)

Another set of Ledger sons and great ones again! Every year the Ledger sons and the Baldrige Sweetheart 7M progeny are some of the most sought after genetics. This year will be on exception. Last year a full brother was one of the most interesting bulls in the entire offering and when the smoke had cleared Bar J & JVS Charolais took him home at \$20,000. He had the highest IMF score ever at the ranch with a score of 5.35! Lot 96 is a standout that is just as good as last years brother with a great look and width. He has all the makings of becoming one of the really good ones, maybe even Legendary!

This is Cody Cattles youngest bull, but if youre looking for the terminal sire that will truly add pounds, muscle and dimension into your calf crop dont overlook him. He is a rugged, masculine, durable sire that will work well on mature cows. Big time weaning weight!

Ledger ET Sons

Lot 106

The influence of LT Ledger and JWK Clarice J139 certainly needs no introduction to Charolais breeders worldwide, but the dam of these herd sires will also soon take her place as another of the power donors of our breed. Produced by Three Trees Ranch and sold by them as a weaned calf, this female languished for years before Derry & Chris saved her from obscurity and multiplied her genetic potential. You will see that in these sons and in the fall 2015 older sons on the opposite page. This may be the best sons of Ledger ever produced! Both Lot 106 & 108 were in the Denver Pens-of-Bulls. The average birth weight of 8 head of full brothers is 82.8 lbs. and the average adjusted weaning weight of those same 8 brothers is 784.8 lbs.!

Lot 106 was a member of the Grand Champion Pen-of-Three Bulls

Lot 108 was a member of the Reserve Grand Champion Pen-of-Five Bulls

Selling 2/3 interest and full possession in both Lots 106, 108 & 109.

Now you see all 8 of these ET FULL BROTHERS, four yearling and four coming two-year-olds. Lot 110 headlines this first set of embryo ETs out of TTR Clarice S1685, JWK Clarice J139s last natural born calf. Go back across the page to read more about this genetic masterpiece. The first and only 8 bull calves registered at AICA out of TTR Clarice 1685S have an average birth weight of 82.8 lbs. and an average weaning weight of 784.8 lbs. And again, another pedigree stacked completely full of breed leaders from top to bottom.

He is named Monumental for a reason! He weaned off 140 lbs. heavier than the next heaviest bull in his contemporary group to ratio 125 in a pretty powerful set of bulls to boot! You wont find many herd sire prospects that have a low 82 lb. birth weight and then pound the scales down to a 937 lb. adjusted weaning weight! Study the body shape, the balance and the EPDs that he brings to the table. And his sire is the hottest bull of the breed today. Who says you cant have it all?

Selling 2/3 interest and full possession.
