Dear Members of the Board:

It is with great pleasure that I recommend Mr. Todd Martin to serve as Adviser for the Alpha Iota chapter of Alpha Gamma Rho at the University of Arkansas, Fayetteville. Todd is a resident of Fayetteville, and he is the Chief Executive Officer for Independent Professional Seed Association. Todd has a very close connection with the Dale Bumpers College of Agricultural, Food and Life Sciences, as well as a sincere interest in working with students and helping them become successful professionals. Todd has a good relationship and reputation among faculty and students in the Bumpers College. Todd is a change agent in the agricultural industry and he has strong integrity. He has personally supported and assisted with efforts to provide the resources needed for scholarships and improving the student experience.

Todd genuinely cares about the quality of students who will graduate and represent the Dale Bumpers College as well as Alpha Gamma Rho fraternity. He is a very successful businessman who would be an ideal mentor and adviser for the fraternity. His presence will help to leverage relationships between the college and Alpha Gamma Rho. I am certain that Mr. Martin will provide the support, valuable insight, and guidance needed for the local chapter. It is without reservation that I recommend him to serve as Adviser. If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Deacue Fields III, PhD
