

What is a New Rep Kit?

The products in the New Rep Kit are carefully chosen, and represent "the best of the best" products from our line. They are the items that we believe every Rep should have in stock at all times in order to anticipate your customers' needs. All items in the kits are in high demand—you shouldn't get "stuck" with any of them!

The Basic Kit is a pre-selected, \$100 value assortment of new and bestselling books, offered to new Reps for only \$60.

There are also three optional Add-On Kits, with \$65 value selections from specialized categories (Children, Non-Fiction and Fiction & Gifts) which you may choose to add for only \$40 each.

What is the Purpose?

The purpose of the New Rep Kit is to help you start your business and have an appropriate inventory on hand.
